## Spasms St. Vitus' Dance

Many persons who suffered untold agonies from epilepsy, fits, spasms, and St. Vitus' Dance are today well. The strengthening influence of Dr. Miles' Nerve Tonic upon the shattered nerves having restored them to perfect health.

"I endured agony that words cannot express from St. Vitus' dance, which followed a very severe spell of rheumatism. I doctored with a physician, but the more I took of his medicine the worse I got. My mother's devotion saved me. After she had become almost heart-broken, as well as physically exhausted from constant care, by the advice of a neighbor she procured a bottle of Dr. Miles' Nerve Tonic. From the first dose to the last a continual change for the better was noticeable, and when I had taken eleven bottles I was well, and in robust health."

EDWARD D. BEAM,  
North Manchester, Indiana.

"Our little boy Harry, had spasms for three years, and although we doctored with many physicians, he continued to grow worse until he had ten spasms in one week. About that time our attention was called to Dr. Miles' Nerve Tonic. We began giving it to him, his improvement seemed slow, but when he had finished the fourth bottle the spasms had disappeared, and have not been seen now for years. We shall always recommend Dr. Miles' Nerve Tonic."

MRS. BELLE M. TINDALL,  
Hastings, Neb.

Dr. Miles' Nerve Tonic is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

## CORN CROP A BUMPER.

Commissioner of Agriculture Hubert Vreeland Saturday issued the following crop report which shows a comparative table giving results of the year, showing a bumper crop of corn and hemp for the year. The report says:

The wet weather prevailing in September continued until the first week in October, and wheat seeding and corn gathering were prevented. Since then the weather has been favorable and this work has proceeded without interruption. The average of wheat sown will be short, being 89 per cent. compared to 1905. That which was sown early is coming up nicely and with favorable conditions a good stand is indicated.

The corn yield will be large, being rated at 102 per cent. compared to 1905, which was also a large yield. Corn is damaged from the wet weather and lack of sunshine, maturing badly and at least 20 per cent of the crop will be unmarketable.

Winter oats. The average will be short on this crop, being 80 per cent compared with 1905.

Acres of rye and barley about up to an average.

The best treatment for indigestion and troubles of stomach is to rest the stomach. It can be rested by starvation or by the use of a good digestant which will digest the food eaten, thus taking the work off the stomach. At the proper temperature, a single teaspoonful of Kodol will wholly digest 3,000 grains of food. It relieves the present annoyance, puts the stomach in shape to satisfactorily perform its functions. Good for indigestion, sour stomach flatulence, palpitation of the heart and dyspepsia. Kodol is made in strict conformity with the National Pure and Drug Law. Sold by Chas. C. Davis.
